

BUSINESS

Master's Degrees - NFQ Level 9

MSc Degrees

The Business School offers a number of MSc Degrees. These are available in two different modes: Research MSc degrees where the research element accounts for the totality of the content of the programme and Taught MSc degrees (where the research element is in the form of a dedicated 20 to 30 credits module with the rest of programme consisting of taught modules).

The MSc by Research is available in the following areas (see here for Regulations governing the Degree of Master by Research): Accounting, Economics, Finance, Food Business, Government, Management and Marketing, Management Information Systems.

The following Taught Master's Degrees are available:
