- Quality Education

Graduate Attributes:

- Creator, evaluator and communicator of knowledge
- · Digitally Fluent
- · Effective global citizen
- · Independent and creative thinker
- · Socially Responsible

Work-Integrated Learning (Including Placement):

Yes

The BA (Hons) (Digital Humanities and Information Technology) is a three-year degree progamme.

To be eligible for the award of the BA (Hons) (Digital Humanities and Information Technology) degree, a student will be required to have achieved 180 credits by obtaining 60 credits in each of First, Second and Third Arts (Digital Humanities and Information Technology). A student may not register for more than 60 credits in one year.

BA (Hons) (Digital Humanities and Information Technology) (International) Pathway

The BA (Hons) (Digital Humanities and Information Technology) (International) Pathway (https://ucc-ie-public.courseleaf.com/programmes/badhi/) is a four-year programme which enables students to study abroad for a year in an approved University outside Ireland.

BA (Hons) (Digital Humanities and Information Technology) (Work Experience) Pathway

The BA (Hons) (Digital Humanities and Information Technology) (Work Experience) Pathway (https://ucc-ie-public.courseleaf.com/programmes/badhw/) is a four-year programme which enables students to undertake a 60 credit work placement for one academic year, approved by the programme Board of Studies.

Year 1 - Arts (Digital Humanities and Information Technology)

In First Arts (Digital Humanities and Information Technology) students take Computer Science (CS) and Digital Arts and Humanities (DH) modules to the value of 45 credits together with one other subject (15 credits) from the following First Arts subjects: Archaeology, Béaloideas, Celtic Civilisation, Chinese Studies, English, Geography, German, Greek, Spanish, Italian, Latin, Philosophy, Politics, and Religions and Global Diversity and Sociology.

See CK101 (https://ucc-ie-public.courseleaf.com/programmes/ba/) for **Points to Note** regarding the above subject choices.

Year 2 - Arts (Digital Humanities and Information Technology)

No student may register for Second Arts (Digital Humanities and Information Technology) until he/she has passed the First University Examination in Arts (Digital Humanities and Information Technology). The selection of any module is conditional on the Professor or Lecturer concerned and the College being satisfied that a student is capable of profiting by attendance thereat. Students may not select modules which involve a timetable clash.

Students who wish to take the four-year option with a year abroad must register for the BA (Digital Humanities and Information Technology) (International) Pathway (https://ucc-ie-public.courseleaf.com/programmes/badhi/) at the beginning of Second Year. Students who wish to take the four-year option with a work placement must register for the BA (Digital Humanities and Information Technology) (Work Experience) Pathway (https://ucc-ie-public.courseleaf.com/programmes/badhw/) at the beginning of Second Year.

In Second Arts (Digital Humanities and Information Technology) students take Computer Science (CS) and Digital Arts and Humanities (DH) modules to the value of 50 credits together with 10 credits of their chosen minor subject continued from First Year.

Programme Requirements for Arts subjects begin here (https://ucc-ie-public.courseleaf.com/programmes/ba/).

Year 3 - Arts (Digital Humanities and Information Technology)

No student may register for Third Arts (Digital Humanities and Information Technology) until he/she has passed the Second University Examination in Arts (Digital Humanities and Information Technology).

In Third Arts students take Computer Science (CS) and Digital Arts and Humanities (DH) modules to the value of 50 credits together with 10 credits of their chosen minor subject continued from Second Year.

Programme Requirements for Arts subjects begin here (https://ucc-ie-public.courseleaf.com/programmes/ba/).
