- Quality Education

Graduate Attributes:
- Creator, evaluator and communicator of knowledge
- Digitally Fluent
- Effective global citizen
- Independent and creative thinker
- Socially Responsible

Work-Integrated Learning (Including Placement):
No

The BA (Hons) (Digital Humanities and Information Technology) (International) Pathway is a four-year, full-time honours degree programme, enabling students on the BA (Hons) (Digital Humanities and Information Technology) (https://ucc-ie-public.courseleaf.com/programmes/badh/) programme to study abroad for a year in an approved University outside Ireland.

First Year - Arts (Digital Humanities and Information Technology)

In First Arts (Digital Humanities and Information Technology) students take Computer Science (CS) and Digital Arts and Humanities (DH) modules to the value of 45 credits together with one other subject (15 credits) from the following First Arts subjects: Archaeology, Béaloideas, Celtic Civilisation, Chinese Studies, English, Geography, German, Greek, History, Spanish, Italian, Latin, Philosophy, Politics, and Religions and Global Diversity and Sociology.

Second Year - Arts (Digital Humanities and Information Technology) (International) Pathway

Students who wish to take the Second Arts (Digital Humanities and Information Technology) (International) Pathway register for the pathway at the beginning of Second Year. No student may register for Second Arts (Digital Humanities and Information Technology) (International) Pathway until he/she has passed the First University Examination in Arts (Digital Humanities and Information Technology). The selection of any module is conditional on the Professor or Lecturer concerned and the College being satisfied that a student is capable of profiting by attendance thereat. Students may not select modules which involve a timetable clash.

In Second Arts (Digital Humanities and Information Technology) (International) Pathway students take Computer Science (CS) and Digital Arts and Humanities (DH) modules to the value of 50 credits together with 10 credits of their chosen minor subject continued from First Year.

Third Year - Arts (Digital Humanities and Information Technology) (International) Pathway

Students complete the Third Year of BA Hons Digital Humanities and Information Technology (International) Pathway at a host university abroad.

Students are reminded that if they wish to transfer from the BA Hons Arts-Digital Humanities Technology (International) Pathway to the BA (Hons) Arts-Digital Humanities and Information Technology - CK118, they may do so at the start of Semester 1 by submitting a transfer application (https://forms.office.com/Pages/ResponsePage.aspx?id=pVz-Rm-GQk6S6e2HhiRVRZctpcSnXEpEmYtX1gaV7_FUNIdIMUc5WUdESE1SOFAxMVZFOEZ to the Office of the College of Arts, Celtic Studies, and Social Sciences. Transfers are not available for students in European Studies.

Third Arts (Digital Humanities and Information Technology) (International) Pathway is spent in an approved foreign university where students will study approved courses/modules to the equivalent value of 60 credits. All courses will be assessed by the approved Host University.

Fourth Year - Arts (Digital Humanities and Information Technology) (International) Pathway

No student may register for Fourth Arts (Digital Humanities and Information Technology) (International) Pathway until he/she has passed the Third University Examination in Arts (Digital Humanities and Information Technology) (International Pathway). The selection of any module is conditional on the Professor or Lecturer concerned and the College being satisfied that a student is capable of profiting by attendance thereat. Students may not select modules which involve a timetable clash.

In Fourth Arts (Digital Humanities and Information Technology) (International) Pathway students take Computer Science (CS) and Digital Arts and Humanities (DH) modules to the value of 50 credits together with 10 credits of their chosen minor subject continued from Second Year.
