

BA (HONS) (INTERNATIONAL) - CK108

Overview

NFQ Level 8, Major Award

The BA (Hons) International is a four-year full-time programme which enables students to study for one year in an approved overseas university. Its aim is to offer students the experience of living and studying for a year at a University in another country.

To be eligible for the award of the BA (Hons) International degree a student will be required to have achieved 240 credits by obtaining 60 credits in each of First, Second, Third and Fourth Arts. A student may not register for more than 60 credits in one academic year.

First Year - Arts (International)

Students choose four subjects (taking 15 credits in each) in First Arts (International). See CK101 - The BA (Hons) programme (<https://ucc-ie-public.courseleaf.com/programmes/ba/>) for more details.

Chinese Studies

Students taking Chinese Studies take Chinese Studies plus three other subjects permitted by the timetable. See CK101 - The BA (Hons) programme (<https://ucc-ie-public.courseleaf.com/programmes/ba/>) for more details.

European Studies

Students taking European Studies take four subjects: European Studies plus three subjects permitted by the timetable. See CK101 - The BA (Hons) programme (<https://ucc-ie-public.courseleaf.com/programmes/ba/>) for more details.

Transfer from CK101 Arts to CK108 Arts International

Transfers at the end of First Year from CK101 Arts to CK108 Arts International may be allowed provided that:

1. the student has successfully completed First Year;
2. appropriate subjects were taken in First Year to meet any Second Year prerequisites;
3. subject entry requirements (if any) were met, e.g. Entrance Tests/Interviews etc.;
4. there is a place available in the Second Year programme.

As well as the conditions outlined above, students who wish to transfer from the BA CK101 (Arts) to BA CK108 (Arts International) will need to have attained in their first year summer examinations a mark of 60% in one of the two subjects in which they wish to continue their studies in Year 2, with at least 58% in the other subject. Students must submit their transfer applications by the end of August of their first year, before registering for second year. Applications can be made online using the 'BA International transfer form' (https://forms.office.com/Pages/ResponsePage.aspx?id=pVz-Rm-GQk6S6e2HhIRVRZctpcSnXEpEmYtX1gaV7_FUMKUwSjhNN1hNT0FBujMyVBN0NjU1KjU1).

Subject to places being available, students who do not meet these criteria may be considered for transfer based on the merits of their academic statement, which addresses the potential for academic benefit during the year abroad in Year 3 (e.g. opportunity to continue to study a language which they had taken as a beginner in Year 1, or other, significant, benefits

to their academic development). Students will be assessed by the Course Director(s) and the Vice Head of College Teaching and Learning on the submission of an application form, accompanied with a strong letter of support from the relevant academic unit which outlines the academic benefits of the Year Abroad to the student in question.

Note: As the transfer details outlined above apply only in the case of admission to Second Arts programmes, students are also advised to apply for, and secure a place in the first year of the programme through the CAO. The Admissions Office should be contacted for the relevant closing date.

Note: Students taking the BA (Hons) (International) and who take Chinese Studies, French, German, Italian, Portuguese or Spanish as a Single, Major or Joint subject in second year, should note that they cannot also register for Béaloides in second year.

See Programme Requirements for First Arts CK101 - The BA (Hons) detailed here (<https://ucc-ie-public.courseleaf.com/programmes/ba/>).

Second Year - Arts (International)

No student may register for Second Arts (International) until they have passed the First University Examination in Arts. The selection of any module is conditional on the Professor or Lecturer concerned and the College being satisfied that s/he is capable of profiting by attendance thereat. A student may not select modules which involve a timetable clash.

In Second Arts (International) students continue with two of their four subjects. Students register for either a Single Subject (50 credits of one subject and 10 credits of their second subject) or a Major Subject (40 credits of one subject and 20 credits of their second subject) or a Joint Subject (30 credits in each of their subjects).

See CK101 - The BA (Hons) programme (<https://ucc-ie-public.courseleaf.com/programmes/ba/>) for more details (except Programme Requirements section for specific curriculum for students taking German and Italian). In addition all students taking the BA (Hons) (International) take the core module LL2108 Crossing Borders: Cultures and Societies (5 credits) in place of another 5 credit elective module. (Only where no elective modules are offered in both subjects which the student is taking, can LL2108 Crossing Borders: Cultures and Societies be substituted for a core module, with the agreement of the Head of Department concerned). Major and Single Honours students should replace LL2108 Crossing Borders: Cultures and Societies with a 5 credit elective module in their 40 or 50 credit subject). LL2108 Crossing Borders: Cultures and Societies can only be taken once, in second year.

Chinese Studies

Options 2 and 3 below are only available to students of Chinese Studies in specific circumstances where travel restrictions may be in place which prevent travel to China in the academic year 2023/24 only due to the exceptional circumstances relating to Covid-19.

Students complete the Third Year of BA (International) by choosing one of the following options:

1. Students spend the Third Year Abroad
2. Students of Chinese Studies for whom Covid-19 travel restrictions are in place in China may spend the Third Year at UCC
3. Students of Chinese Studies for whom Covid-19 travel restrictions are in place in China may spend One Semester Abroad and One Semester at UCC.

Students are reminded that if they wish to transfer from the BA (International) - CK108 to the BA - CK101, they may do so at the start of Semester 1 by submitting a student request form (https://forms.office.com/Pages/ResponsePage.aspx?id=pVz-Rm-GQk6S6e2HhIRVRZctpcSnXEpEmYtX1gaV7_FUNldIMUc5WUdESE1SOFaxMVZFQEZSTEFA2SS4u19) to the Office of the College of Arts, Celtic Studies, and Social Sciences. Single-Subject students (NB **only** French and Italian and Spanish are offered as **Single Subjects**) may take a minimum of 5 and a maximum of 10 credits in the second subject or a cognate subject, with the balance of credits to be taken in the foreign language. Major-Subject and Joint-Subject take a minimum of 10 credits and a maximum of 30 credits in the second subject or in a cognate subject, with the balance of credits to be taken in the foreign language. All courses are assessed by the approved Host University.

No electives may be repeated from Second Year modules (i.e. if these modules have already been taken), or if modules are chosen from Final Year, they may not be taken again in the future.

This option is available to students of Chinese Studies (1) for whom travel restrictions are in place in China as a result of Covid-19 or (2) whose host university is no longer able to accept international students as a result of Covid-19.

3. Students of Chinese Studies spending One Semester Abroad and One Semester in UCC where Covid-19 travel restrictions are in place in China

In some instances, students may complete one semester in UCC and one semester abroad taking a total of 60 credits for the year, in agreement with the Programme Director.
