<sup>3</sup> Students who have not taken Japanese in Year 1 may take it as a new subject in Year 2, subject to timetable constraints.

All courses taken during Year 3 will be assessed by the approved Host University. Please note that a work placement in Japan will not initially be available.

<sup>6</sup> Students may take Japanese as an advanced 20-credit Subject in Year 4 on condition that they have the prerequisite for AS3008, namely a significant standard of Japanese Language (assessed before entry), and would normally be expected to have made good progress having spent Year 3 studying at a Japanese university.

<sup>7</sup> In addition to the general regulations for passing the year, students must pass AS1503 or AS1504.

<sup>8</sup> Students who have not taken Japanese in Year 1 or Year 2 may take it as a new subject in Year 4, subject to timetable constraints.
