

BSC (ORDINARY) HEALTH STUDIES (CHILDREN'S AND GENERAL - INTEGRATED)

Overview

NFQ Level 7, Major Award

ALTERNATIVE PATHWAY FOR STUDENTS NOT COMPLETING THIRD UNIVERSITY EXAMINATION IN NURSING

The BSc Health Studies, NFQ Level 7, is an alternative ordinary bachelor's degree pathway for students who do not satisfy the pass standard for the Part B practice module in the chosen area of specialisation (NU3068) on the BSc (Hons) Nursing (Integrated Children's and General) (<https://ucc-ie-public.courseleaf.com/programmes/bncgn/>). Students who do not pass the Part B practice module for Year 3 of the BSc (Hons) Nursing either at the first Examination or at the first attempt in a Repeat year will re-register instead for the non-clinical BSc Health Studies. This pathway does not confer eligibility to practice as a Registered Nurse.

To complete the BSc Health Studies, a student must pass all Part A modules for the third-year BSc Nursing Examinations and achieve a pass in the Part B independent study module NU3046 (10 credits). Students who complete the Part B study module are required to exit the programme with a BSc Health Studies award.

THIRD YEAR - THIRD UNIVERSITY EXAMINATION IN HEALTH STUDIES

Leading to: NFQ Level 7, Major Award - BSc Health Studies

A student may not register for the Third Year of the programme until the Second University Examination in Nursing and the appropriate Part B module have been passed. In order to be admitted to the Third University Examination in Health Studies, each student must have attended theory modules as detailed in Part A and a study module in Part B.

Programme Requirements

For information about modules, module choice, options and credit weightings, please go to Programme Requirements (p. 1).
