

# BSC (HONS) IN NURSING (CHILDREN'S AND GENERAL - INTEGRATED) - CK712

---

## Programme Learning Outcomes

Programme Learning Outcomes for BSc (Hons) (Nursing) (NFQ Level 8, Major Award)

On successful completion of this programme, students should be able to:

- Acquire the knowledge, professional values and discipline specific competencies to fulfil the role of the Registered Nurse to deliver safe, high quality, compassionate, ethical, legal and accountable practice across the life spectrum and in diverse health care settings;
- Demonstrate knowledge, clinical skills and professional behaviours that are underpinned by the Scope of Nursing and Midwifery Practice Framework (NMBI 2015) and the Code of Professional Conduct and Ethics for Registered Nurse and Registered Midwives (NMBI 2014);
- Practise as a competent Registered Nurse to assess, plan, prioritise, deliver and evaluate nursing care based on a comprehensive and systematic assessment of health and nursing needs in consultation with the person receiving such care, their representative and the multi-disciplinary team;
- Apply theoretical principles to the practice of nursing using professional judgement, critical reasoning, problem-solving and reflection derived from an evidence base of nursing and from the applied life, health and social sciences;
- Deliver person-centred, high quality, facilitative, supportive and safe nursing care based on a collaborative relationship with a person receiving such care, that respects her/his dignity, autonomy, self-determination and rights to make health and life choices across the health spectrum;
- Demonstrate skills of effective communication, delegation, inter-professional liaison and team working to promote the quality and safety of the health care environment;
- Maintain competence to develop and enhance the capacity for self-awareness, reflective practice, analysis, critical thinking, problem solving, leadership and professional scholarship;
- Apply evidence from an appraisal of research studies relevant to the division of nursing to the practice of nursing.
