Connected Curriculum:

- Employability
- Inter-and Transdisciplinary
- Research Based Teaching

Graduate Attributes:

- Creator, evaluator and communicator of knowledge
- Independent and creative thinker

Work-Integrated Learning (Including Placement):

No

Students who entered the University through the College of Medicine and Health may apply to take programmes in Science leading to the award of a BSc (Hons) Degree in one of Anatomy or Neuroscience (<https://ucc-ie-public.courseleaf.com/programmes/bschan/>), Biochemistry (<https://ucc-ie-public.courseleaf.com/programmes/bschbc/>), Pathology (Medical Microbiology) (<https://ucc-ie-public.courseleaf.com/programmes/bschpm/>), Pharmacology (<https://ucc-ie-public.courseleaf.com/programmes/bschpt/>) or Physiology.

While pursuing any of the above programmes a student will not be permitted to pursue any other programmes (medical or otherwise).

With the approval of the Head of the Department of **Physiology** and the College of Medicine and Health, a student who has passed the Third University Examination in Medicine and who has attained an aggregate mark of at least 60% in their Second Year may proceed to a BSc (Hons) Degree by (a) satisfactorily pursuing modules in Physiology to the value of 60 credits as determined by the Head of the Department and (b) reaching the required standard in the BSc (Hons) Degree Examination in Physiology. It is also strongly recommended that students have attained a mark of at least 60% in special study module PL2025 during the Second University Examination in Medicine.

Programme Requirements

For information about modules, module choice, options and credit weightings, please go to Programme Requirements (p.).
