---

This Diploma is available to students from partner Chinese universities, with whom University College Cork signs a bilateral agreement under Statute 263 of the National University of Ireland. Having studied for three years at a partner Chinese university, students will study for one year at University College Cork, taking the diploma programme to the value of 60 credits.

Students from ~~non-partner~~ institutions will be assessed for eligibility for the programme on a case-by-case basis and will be subject to the approval of the College of Business and Law.

To be considered for the award of Diploma in Business and Financial Economics a student must have satisfactorily attended, for at least a full academic year, prescribed modules amounting to **60** credits.

## Programme Requirements

For information about modules, module choice, options and credit weightings, please go to Programme Requirements (p.       ).
