

DIPLOMA IN SPEECH AND HEARING SCIENCES

Programme Learning Outcomes

Programme Learning Outcomes for Diploma in Speech and Hearing Sciences (NFQ Level 6, Minor Award)

On successful completion of this programme, students should be able to:

- Describe typical and atypical language, speech and swallowing throughout the lifespan;
- Compare and contrast current literature evaluating the fields of physics, linguistics, psychology, anatomy, physiology and health sciences relating to the treatment, management and prevention of disorders of communication and swallowing;
- Effectively transcribe and analyse speech, language and swallowing samples using various transcription and analytic methods.
