

PROFESSIONAL DIPLOMA IN MANAGEMENT

Programme Learning Outcomes

Programme Learning Outcomes for Professional Diploma in Management
(NFQ Level 9, Special Purpose Award)

On successful completion of this programme, students should be able to:

- Critically analyse business financial information;
- Demonstrate the skills and knowledge acquired making recommendations for potential, sustainable improvements that will add value to their organisation;
- Critically appraise the techniques that can best drive the execution of ethical, successful change within the organisation;
- Demonstrate their ability to undertake research and to integrate academic frameworks, tools and models into practical applications;
- Analyse the benefit of applying and using strategic tools and concepts and critically evaluate the impact their use can have on their organisation;
- Evaluate the external global environment for the organisation;
- Demonstrate an understanding of contemporary critical theory in relation to responsible Management and Leadership practices from both local and global perspectives.
