Yes

The MA (Human Osteoarchaeology) is a full-time programme running for 12 months from the date of first registration for the programme.

In Semester 1 students will be required to attend lectures, seminars, practicals and field trips for all taught modules. In Semesters 2 and 3 students will develop a particular topic into a 20,000 word dissertation. The dissertation is to be completed by the end of September of the first year from the date of first registration for the programme.

## Postgraduate Certificate in Human Osteoarchaeology

Candidates who pass at least 30 credits of taught modules may opt to exit the programme and be awarded a Postgraduate Certificate in Human Osteoarchaeology (<https://ucc-ie-public.courseleaf.com/programmes/pcho/>).

## Programme Requirements

For information about modules, module choice, options and credit weightings, please go to Programme Requirements (p.      ).
