Programme Learning Outcomes

Programme Learning Outcomes for MA Migration, Mobility and Culture (NFQ Level 9, Major Award)

On successful completion of this programme, students should be able to:

- Evaluate a broad range of primary and secondary sources related to migration, mobility and culture in the widest context;
- Apply a range of appropriate interdisciplinary methodologies required for undertaking research in the respective areas;
- Demonstrate critical understanding of a range of topics and academic approaches in the areas of cultural theory, social policy, migration and mobility studies;
- Contribute to existing critical, theoretical and methodological debates within a specified field of study;
- Plan and conduct research at the appropriate level for a masters qualification;
- Present their research in a dissertation or major creative/communitybased project supported by relevant secondary materials;
- Demonstrate through the dissertation or major creative/communitybased project advanced understanding of a selected topic in the field;
- Utilise advanced critical, theoretical, and methodological concepts in the presentation of their research;
- Work effectively as an individual, in teams and in multi-disciplinary and multicultural settings together with the capacity to undertake lifelong learning.
