## Programme Learning Outcomes

Programme Learning Outcomes for MA in Museum Studies (NFQ Level 9, Major Award)

On successful completion of this programme, students should be able to:

- Demonstrate systematic and critical understanding and knowledge of museum practice and theory, in both historical and contemporary contexts;
- Acquire further experience of practices, procedures and policies in the contemporary museum;
- Apply a critical awareness of current issues in the field (including professional ethics) to professional practice;
- Appreciate the role of the museum in contemporary society, and how this has developed historically;
- Develop an awareness of what is involved in the design and management of modern museums;
- Apply a range of intellectual and technical skills acquired in this course to other areas of employment.
