

MA (SOCIOLOGY)

Programme Learning Outcomes

Programme Learning Outcomes for MA in Sociology (NFQ Level 9, Major Award)

On successful completion of this programme, students should be able to:

- Recognise and explain the complex nature of many of the challenges and problems faced in contemporary societies.
- Identify, use, evaluate and interpret data from various sources.
- Identify and effectively apply Sociological theories, methods and approaches.
- Design, implement and analyse Sociological research projects.
- Communicate effectively about Sociological topics, concepts and methods.
- Collaborate effectively as part of a team, as well as work effectively by self.
