

MASTER OF ACCOUNTING (MAcc)

Programme Learning Outcomes

Programme Learning Outcomes for Master of Accounting (NFQ Level 9, Major Award)

On successful completion of this programme, students should be able to:

- Communicate and work effectively to a high professional standard;
- Demonstrate advanced analytical and problem-solving skills associated with effective practice;
- Engage in advanced application of frameworks and techniques in organisational settings;
- Conduct Research relevant to professional and academic audiences;
- Demonstrate an appreciation of managerial accounting and finance as a basis for developing the tools and knowledge required to meet management information needs;
- Demonstrate an appreciation of the professional context of Financial Reporting and Auditing in the governance and regulation of business.

On successfully completing all requirements of the programme, depending on tax electives chosen, graduates of the MAcc may gain up to full exemption from all but the Final Admitting Examination (FAE) of Chartered Accountants Ireland (CAI).
