

# MDS

---

## Overview

NFQ Level 9, Major Award

## Regulations

A candidate who has been the holder of the BDS (Hons) primary degree for at least three years is eligible to obtain the MDS degree provided he/she submits a satisfactory thesis on a subject approved by the College of Medicine and Health, and the Graduate Studies Committee. The candidate may be required to submit to an examination on the subject matter of the thesis.

See also General Regulations for the Degree of Master (<https://ucc-ie-public.courseleaf.com/postgraduate/master/master-research/>).
