

# MRES (MASTER OF RESEARCH)

---

## Programme Learning Outcomes

### Programme Learning Outcomes for MRes (NFQ Level 9, Major Award)

On successful completion of this programme, students should be able to:

- Carry out a sustained research project on an original topic and write up the results;
- Display an independent approach to critical analysis and evaluation;
- Write critically, logically, and systematically, using proper citation in keeping with standards of postgraduate research;
- Articulate their skills set and skills that they need to acquire;
- Develop individual research strategies and produce literature reviews and critical bibliographies;
- Develop effective strategies to locate, access and critically evaluate relevant information;
- Develop effective approaches to keep up to date with the latest research in their area;
- Identify the appropriate presentation skills for a variety of purposes and organize and deliver an oral presentation based on their dissertation topic;
- Avail of relevant technical skills (e.g. digital, editing) acquired in the modules and research project.
