

MSC IN BIOANALYTICAL CHEMISTRY

Overview

The MSc in Bioanalytical Chemistry is a progression route from the Postgraduate Diploma in Bioanalytical Chemistry (<https://ucc-ie-public.courseleaf.com/programmes/pdbcm/>).

The MSc is a 30-credit, part-time programme taken over one academic year (9 months) after successful completion of the Postgraduate Diploma in Bioanalytical Chemistry (60 credits) with an aggregate mark of at least 50%.

Programme Requirements

For information about modules, module choice, options and credit weightings, please go to Programme Requirements (p.).
