### Work-Integrated Learning (Including Placement):

Yes

The MSc Accounting and Performance Analytics is a full-time programme running for 12 months from the date of first registration for the programme. Students take taught modules from September to May, followed by either the completion of a group-based research project or a graduate placement commencing from June onwards.

Students undertake taught modules to the value of **60** credits and an industrial placement or industry report to the value of **30** credits. In the event of a placement not being secured an unplaced student will undertake project work of an equivalent credit value as specified by the Head of Department.

## Exit Award

### Postgraduate Diploma in Accounting and performance analytics

Candidates who pass taught modules to the value of 60 credits in Part I may choose to exit the programme and be awarded a Postgraduate Diploma in Management Information and Managerial Accounting Systems (<https://ucc-ie-public.courseleaf.com/programmes/pdmim/>) (NFQ Level 9, Major Award).

## Programme Requirements
