UCC policies applying to applicants/students on this programme:

- Student Vetting Policy and Procedure

classes are held in two-day blocks (weekdays). Students also undertake a research dissertation (30 credits) which is submitted at the end of the calendar year.

The part-time MSc (Older Person Rehabilitation) runs over two academic years (20 months) from the date of first registration for the programme. Students take taught modules to the value of 60 credits over two years, incorporating approximately 300 hours of structured contact time provided face-to-face, via webinars or online (3-7 contact days per semester). Most classes are held in two-day blocks (weekdays). Students also undertake a research dissertation (30 credits) which is submitted in the early Summer of Year 2.

Exit Award: Postgraduate Certificate in Older Person Rehabilitation (NFQ Level 9, Minor Award)

Upon satisfactory completion of 30 credits in the MSc (Older Person Rehabilitation), to include module CG6009, a student may opt to exit the programme and be conferred with a Postgraduate Certificate in Older Person Rehabilitation (<https://ucc-ie-public.courseleaf.com/programmes/pcopr/>). A student who subsequently applies to continue to Masters level must do so within 5 years of successful completion of the Certificate Examination. Such an application is subject to approval of the Programme Team, and if successful, exemptions will be granted for modules taken within the previous five years.

Exit Award: Postgraduate Diploma in Older Person Rehabilitation (NFQ Level 9, Major Award)

Upon satisfactory completion of 60 credits in the MSc (Older Person Rehabilitation), to include modules CG6009 and CG6010, a student may opt not to proceed with / complete the dissertation module (CG6008), and may opt to exit the programme and be conferred with a Postgraduate Diploma in Older Person Rehabilitation (<https://ucc-ie-public.courseleaf.com/programmes/pdopr/>). A student who subsequently applies to continue to Masters level must do so within 5 years of successful completion of the Postgraduate Diploma Examination. Such an application is subject to approval of the Programme Team, and if successful, exemptions will be granted for modules taken within the previous five years.
