

# MSC (SUSTAINABLE DEVELOPMENT, AGRI-FOOD AND CO-OPERATIVES)

---

## Programme Learning Outcomes

Programme Learning Outcomes for MSc (Sustainable Development, Agri-Food and Co-operatives) (NFQ Level 9, Major Award)

On successful completion of this programme, students should be able to:

- Communicate and work effectively to a high professional standard;
- Demonstrate advanced analytical and problem-solving skills associated with effective practice;
- Engage in advanced application of frameworks and techniques in organisational settings;
- Demonstrate advanced analytical skills associated with the key challenges and decisions facing society, organisations and communities in responding to local through to global sustainable development issues;
- Engage in designing collaborative, multi-stakeholder approaches and responsible leadership in addressing sustainable development challenges;
- Demonstrate research and professional proficiency, and an understanding of research ethics, through the completion of an independent industry-centred research project.
