

POSTGRADUATE CERTIFICATE IN APPLIED IMAGING STUDIES

Programme Learning Outcomes

Programme Learning Outcomes for Postgraduate Certificate in Applied Imaging Studies (NFQ Level 9, Minor Award)

On successful completion of this programme, students should be able to:

- Possess the academic skills to critically evaluate the evidence underpinning current imaging practices.
- Demonstrate ongoing commitment to the professional and caring values which underpin a safe and high quality clinical service.
- Through intelligent and critical analysis of original research sources, be able to synthesise the evidence base of clinical practice.
- Critically evaluate original research sources and their contribution to the evidence base of clinical practice.
- Critically evaluate ongoing personal and professional development via the theory and practice of CPD.
