

POSTGRADUATE CERTIFICATE IN HUMAN ANATOMY

Programme Learning Outcomes

Programme Learning Outcomes for Postgraduate Certificate (Human Anatomy) (NFQ Level 9, Minor Award)

On successful completion of this programme, students should be able to:

- Demonstrate an understanding of the detailed anatomy of the human body;
- Dissect human cadaveric material up to prosection level standards;
- Discuss the ethical issues surrounding the use of human material for research and education;
- Critically read and analyse data from scientific papers.
