Progression to MSc (Older Person Rehabilitation) (NFQ Level 9, Major Award)

Following successful completion of the examinations for the Postgraduate Certificate in Older Person Rehabilitation, subject to approval of the Programme Team, a student may opt to transfer to the MSc (Older Person Rehabilitation) (<https://ucc-ie-public.courseleaf.com/programmes/mscopr/>) with exemptions granted for the modules already taken. A student previously conferred with the Postgraduate Certificate in Older Person Rehabilitation / Postgraduate Diploma in Older Person Rehabilitation (exit award from the MSc) may register for the MSc (Older Person Rehabilitation) (<https://ucc-ie-public.courseleaf.com/programmes/mscopr/>) within five years of completion, subject to approval of the Programme Team, with exemptions granted for modules taken within the previous five years.

Exit Award from MSc (Older Person Rehabilitation) (NFQ Level 9, Major Award)

Upon satisfactory completion of 30 credits in the MSc (Older Person Rehabilitation), to include module CG6009, a student may opt to exit the programme and be conferred with a Postgraduate Certificate in Older Person Rehabilitation. A student who subsequently applies to continue to Masters level must do so within 5 years of successful completion of the Certificate Examination. Such an application is subject to approval of the Programme Team, and if successful, exemptions will be granted for modules taken within the previous five years.

Programme Requirements

For information about modules, module choice, options and credit weightings, please go to Programme Requirements (p.).

The Postgraduate Certificate in Older Person Rehabilitation is a part-time programme run over one or two academic years (9 to 20 months) from the date of first registration for the programme.

Students take taught modules to the value of **30** credits, incorporating approximately 100 hours of structured learning, provided face-to-face, via webinars or online (approximately 1 day per month during term if taken over one academic year). Most classes are held in two-day blocks (weekdays).
