

POSTGRADUATE DIPLOMA IN CLINICAL TRIALS

Programme Learning Outcomes

Programme Learning Outcomes for Postgraduate Diploma in Clinical Trials (NFQ Level 9, Minor Award)

On successful completion of this programme, students should be able to:

- Demonstrate application of complex clinical trial design and analysis;
- Identify and apply the practical and management issues in the design and implementation of clinical trials;
- Apply clinical trial regulations to the conduct of clinical trials;
- Apply key ethical principles when conducting clinical trials;
- Critically evaluate all aspects of how clinical trials are managed, reviewed and reported;
- Demonstrate effective communication and discussion skills and write effectively through ongoing participation in online discussions.
