

# PHD FOR HIGHER EDUCATION PROFESSIONALS

---

## Programme Learning Outcomes

Programme Learning Outcomes for PhD for Higher Education Professionals (NFQ Level 10, Major Award)

On successful completion of this programme, students should be able to:

- Develop the ability to communicate effectively to scholarly, practitioner and enterprise audiences.
- Identify and apply strategies for successful engagement with community/enterprise partners.
- Undertake research at an advanced level, and translate knowledge to research/practice/enterprise settings.
- Produce original research, or other advanced scholarship, of a quality to satisfy peer review, and to merit publication.
- Develop skills in order to communicate complex and/or ambiguous ideas, issues, and conclusions clearly and effectively to multiple audiences.
- Synthesise knowledge on teaching and learning and the practice of both in order to determine appropriate strategies for research teaching/supervision.
- Understand and critique the HE sector nationally.
- Participate in work based learning.
