

PHD FOR HIGHER EDUCATION PROFESSIONALS

Overview

The PhD for Higher Education Professionals at University College Cork is a full-time cohort-based programme that runs for four years. The programme involves the completion of research in your chosen discipline, leading to the submission of a PhD thesis by publication.

Designed for professionals already working in the higher education sector this is a structured PhD with a focus on research and innovation. The first three years of the PhD will involve undertaking modules worth 60 taught credits, while simultaneously working with your supervisory team on your thesis.

Programme Requirements

For information about modules, module choice, options and credit weightings, please go to Programme Requirements (p.).
